

FRIDAY ROUND UP

5th July 2024

Dear Parents and Carers,

The transition day on Wednesday for the children was a real success. As I walked around the school, there was a real sense of excitement; all of the children were engaged in activities ranging from team building events to design and technology projects. It was also great to see so many parents attend the Meet The Teacher event after school. I hope you all have a great weekend and I look forward to seeing as many of you as possible for the St Anne's Sports Day on Monday!

Best Wishes
Mr Farrell

Lost Property

We have had an awful lot of lost property this year without names in so we've been unable to return items to their rightful owners.

Please could we ask everyone to remember to name all items that are brought into school, particularly jumpers/cardigans.

Sports Day Monday 8th July

A few reminders

Children to come wearing PE Kit with house colour T-Shirt

Sun Hat

Sun Cream

Water Bottle

Parents/Carers please arrive at 12.30pm

Class 3

Class 3 had a wonderful day at Johnson's Zoo last week! We were given a tour by the zookeeper in the morning, then met some animals up close after lunch before some well-deserved fun in the playground!

Class 4

During our Art lessons, Class 4 have been exploring different painting techniques including:

- dabbing
- pointillism
- stippling

They practised these techniques using a range of tools such as sponges, cotton buds, toothpicks, paintbrushes and spreaders. This has been to help them create a 3D effect in their final piece of still-life art.

Class 5

Year 5 had great fun in the sun making truss bridges out of spaghetti and masking tape. Tesms needed to communicate well and make strong bundles of spaghetti linked in a triangular formation to support bean bags. Head Judge, Mr Farrell, decreed that this bridge was the strongest. Well done Year 5!

Year 5 also had enormous fun creating a glitter ice cream castle based on a sculpture by Chila Kumari Singh Burnan. They loved relaxing outdoors with watercolours depicting plants from around the world, some based on photos taken at the Botanic Gardens.

Hints and Tips from Miss Tavender

Young Minds website has top tips for parents for Year 6 children transitioning to Year 7. However, the top tips are relevant for all students.

Link detailed below.
