

FRIDAY ROUND UP

10th January 2025

A MESSAGE FROM MR FARRELL

Dear Parents and Carers,

I hope this newsletter finds you well and that you and your families had a wonderful Christmas and a happy start to the New Year. As we welcome the children back for the Spring term, we're filled with excitement for the term ahead. Our calendar is already brimming with a variety of events and activities that we are sure the children will enjoy and benefit from, so do keep an eye out for updates in future newsletters and on our school website.

As the weather remains chilly, we kindly ask that all children come to school each day with a warm coat, as well as hats, scarves and gloves if needed. Outdoor play and fresh air are an important part of the school day and we want to ensure everyone stays comfortable and healthy.

Thank you for your continued support, and we look forward to another fantastic term together.

Best wishes,
Mr Farrell

CLASSROOM NEWS

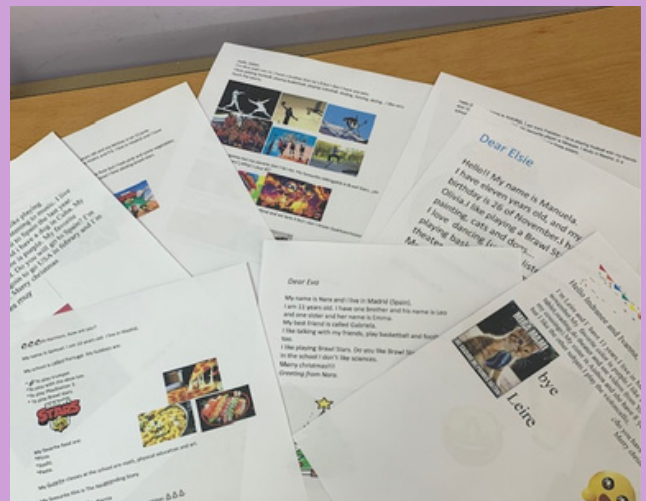

Year 3 PE

In gymnastics, Class 3 made clear shapes and balances, holding them still for 5 seconds.

Gymnastic shapes include straddle, pike, tuck, dish and back support, and balances were created using 4, 3, then 2 points.

This week, Year 6 received their first set of letters from their Spanish pen pals in Madrid. They are really excited to read them. Our Spanish friends were so pleased to receive our letters just before Christmas. Having real communication in another language has proved an invaluable learning tool for us. We're already planning what we're going to send next!

E Safety - Protecting Ourselves Online

Responsible Online Behaviour

Children must understand they are responsible for their actions online. Whether posting, commenting, or sharing, kindness and respect should always come first. Their digital footprint—the trail of online actions—can impact their future. For tips on building digital resilience and fostering positive online habits, visit ceopeducation.co.uk

Change Notification

We will be making a change to the way families wait when we have events on such as class assemblies, concerts etc.

From now on please could we ask all families to wait outside the reception area. We will put a board outside and this will form the start of the line. The reason for the change is that we are finding the reception area gets very full and therefore it is extremely difficult to get children, staff and other visitors in and out of the school.

Thank you for your understanding.

NEW BABY/TODDLER PLAY
GROUP

MINI ANNES

Play group for 0 - 4 year olds

Monday's 9.15 - 10.30am
