

# FRIDAY ROUND UP

14th June 2024

Dear Parents and Carers,

I would like to take the opportunity to thank everyone who came to help sort the old library yesterday, your efforts are very much appreciated and we look forward to getting the new library up and running soon.

Have a good weekend.  
Mr Farrell

## Year 1

This week we have had the pleasure of baby chicks and the children very much enjoyed getting the chance to hold them.

## Class R

This week Class R have enjoyed welcoming their families into school for two Stay & Play sessions. The first was on Monday in the classroom and the second was today (Friday) in the Forest School area. On Monday the children were able to show off their work in their folders and on the 'Wow Wall', and give adults a tour of the different areas in the classroom. There were lots of activities to get involved in, including observational watercolour painting, necklace making, African drumming and map work (related to our current Topic on Africa and our class text 'Handa's Surprise'). Thank you to all those adults who attended.

## Year 2

In year 2 we are looking at how plants grow and the life cycle of a plant. This week year 2 have designed and set up an experiment to see what plants need to grow. They have thought about how to make this a fair test and the need for control plants to check their results at the end of the experiment.

### Class Photo's

Quick reminder that Monday is class photo day and individual photographs for our Year 6 Leavers.

If your child is due to wear P.E. kit on Monday, please could they come to school wearing normal school uniform with their PE kit separately so they can get changed in the afternoon.

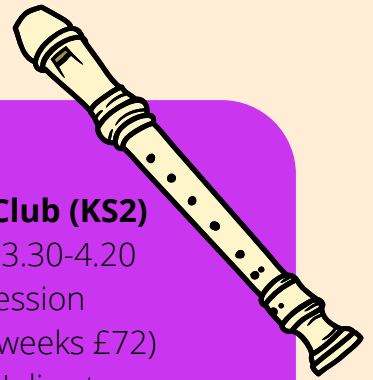

Thank you

### Julia's Recorder Club (KS2)

When: Thursdays 3.30-4.20
