

FRIDAY ROUND UP

23rd May 2025

MESSAGE FROM MR FARRELL

Dear Parents and Carers,

I can't quite believe how quickly this academic year is flying by! It feels like only yesterday we were welcoming everyone back in September—and now we're heading into Summer Term 2, with the summer holidays already on the horizon. At this rate, I might need to start planning the Christmas Nativity before the ice cream van even leaves!

As we move into the warmer weeks ahead, we've reviewed how we help our children stay hydrated throughout the school day. Children are now welcome to keep their water bottles on their desks throughout each school day, as long as they are not a distraction to their learning. Please make sure bottles contain water only—thank you for your support in helping us maintain healthy habits in the classroom.

A huge thank you to our amazing PTA for their continued hard work and creativity. Recently, they raised over £220 for the school through ice lolly sales and a fantastic quiz night. What a brilliant achievement! We're incredibly grateful for their efforts and we hope everyone who joined in had a great deal of fun.

Please take a moment to check the dates section of this newsletter to stay up to date with all upcoming events. One important date to highlight is our Sports Day on 11th July, which is now confirmed for 12.30pm to 3.30pm. Start stretching now—the Parent Tug of War is making a comeback and we expect some serious (and seriously fun) competition!

Wishing you all a lovely, restful weekend.

Mr Farrell

CLASSROOM NEWS

English - in English Class 1 have been looking at Traction man we have been using water to use adjectives to describe what we are writing about and we have also been role playing with scenes in the book and have been looking at writing our own speech marks.

Computing - we have been making scenes for the beebots to travel around and practicing our programming to move around our creations.

Class R loved their first ever school trip to Sacrewell Farm on Friday. They had a great time exploring the kitchen gardens, preparing and eating vegetables, looking around the farm and going on a tractor ride. They were lucky to get up close to many different farm animals, including sheep, alpacas, ponies, goats, donkeys, rabbits, pigs, chickens and turkeys (to name a few!). And there was even time to have fun at the playpark before heading back to school.

SEND Hints and Tips by Miss Tavender
