

FRIDAY ROUND UP

24th May 2024

Dear Parents and Carers,

We need volunteers! On Thursday 13th June 2024 (3.30pm – 5pm) we are reviving our school library and this will involve swapping its location with the sensory room. By having the school library near the playground, the children will have daily access to books during break and lunch times. We also intend to introduce child Library Monitors who will run themed, reading lunches for the younger children. Creating an inspiring reading area for children is essential when promoting reading for pleasure.

So, if you (and your children) can help out, even for 15 minutes, we would be so grateful. Please let the office know if you can.

Have a great half-term!

Mr. Farrell

Year 1

As part of the Year 1 Geography curriculum, Year 1 have to compare two different places in the world. To help us understand how other people live in the world, we looked at mud huts in Africa and then made our own. We had a great afternoon mixing mud with water, find sticks for roofs and adding grass for strength.

Reception

Last week Class R enjoyed their very first school trip to Sacrewell Farm as part of their 'Ready, Steady, Grow!' unit of work. They were able to explore the gardens; picking vegetables, cleaning and chopping them, before having a taste. They also were given the opportunity to sow their own pea plant, which they will watch grow in school. In the afternoon they walked around the Farm to see all the farm animals, including an enormous pig! Much fun was had by all, despite the wet weather.

Year 2

Year 2 enjoyed a visit to Burghley House as part of our history and science curriculum. In the morning we met King Henry VIII where we learnt about his life before enjoying a tour of the house. We learnt how it was used in Tudor times, the different royal visitors and the secrets in some of the paintings. In the afternoon we visited the gardens to look at the different trees that grow there followed by a workshop looking at the life cycle of plants and what they need to grow.

SEND HINTS AND TIPS FROM MISS TAVENDER

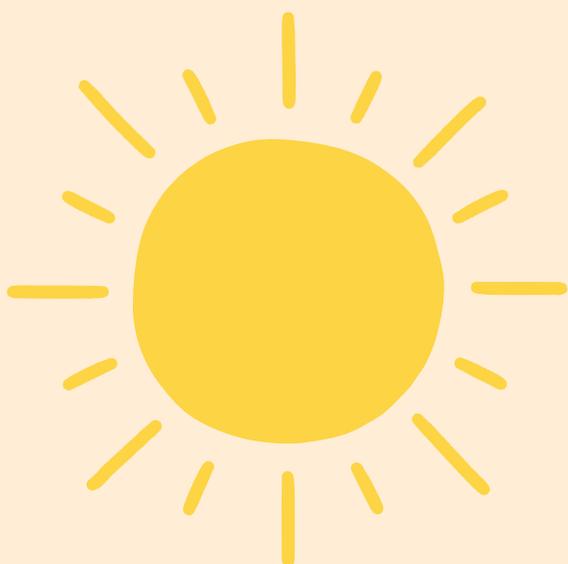

Supporting Transitions.

It is important to be aware of many types of transitions, here are some types below:

- Throughout the school day
- Between home, school and other settings (e.g. after school club)
- Between term time and holiday time
- Year to year, within a familiar establishment
- Between establishments, e.g. ELC to Primary, or Primary to Secondary
- Life stage transitions, e.g. puberty, bereavement, moving house
- Leaving school and moving into adulthood

SEND IS EVERYONE'S BUSINESS

Summer Fair

Saturday 13th July 1pm - 4pm

We are looking for volunteers to help out at this years Summer Fair.

We would be very grateful for anyone that is able to help out running stalls on the day.

Please let the office know if we can put your name down!!!

Thank you so much
