

FRIDAY ROUND UP

29th November 2024

A MESSAGE FROM MR FARRELL

🎄👶 Calling All St Anne's Families! 🎄👶

The festive season is upon us and preparations for our much-anticipated Christmas Fayre are in full swing! As always, the highlight of the event will be our Christmas Raffle Hampers and we need your help to make them truly spectacular! The PTA is kindly asking for your support in providing donations for the hampers, which will be colour-themed by class. Each class has been assigned a colour, and we'd love for your contributions to reflect this theme.

Here's the breakdown:

- ✦ Class R – Gold
- ✦ Class 1 – Silver
- ✦ Class 2 – Purple
- ✦ Class 3 – Green
- ✦ Class 4 – Red
- ✦ Class 5 – White
- ✦ Class 6 – Orange

Think creative! From non-perishable food items, candles and decorations to toiletries, sweets, or even a touch of sparkle – all in your class's colour theme. Please hand in your donations to the school by Friday 6th December, so we have time to assemble them.

I look forward to seeing as many of you as possible at the Fayre and thank you for your generosity and support.

Best wishes,
Mr Farrell

CLASSROOM NEWS

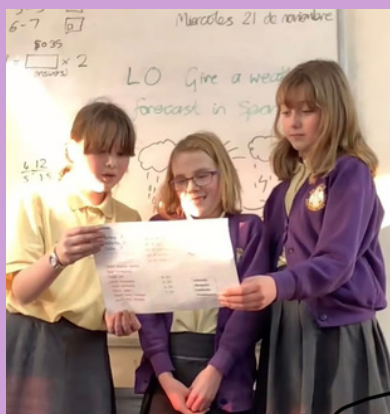

Class 3 made Jesse tree posters to celebrate Advent during RE enrichment day. They listened to stories from the Old Testament, including the Genesis stories of Creation, Abraham, Isaac, Jacob, Joseph and Moses. After each story, they decorated their Jesse tree posters with pictures to symbolise the story.

In Class 4, we are learning about making biscuits in DT. This week, we followed our first recipe to give us inspiration for our own recipes later in the term.

Year 5 are always up for a challenge and thoroughly enjoyed having a practice at weather forecasting in Spanish this week. Next week they will improve these forecasts further and use annotated maps of Spain to refine their skills. Their confidence in speaking aloud is growing weekly—such a delight to see. Well done Year 5!

Year 6 have been writing letters to their new Spanish pen pals who go to school in Madrid, Spain. We've looked at their school and thought about what's the same and what's different to St Anne's. We can't wait to get our replies from the Spanish children!

E Safety - Protecting Ourselves Online

Gaming Platforms: Staying Safe on Roblox and Minecraft Games like Roblox and Minecraft are fun and creative but may also expose children to online predators or inappropriate content. Teach kids how to use reporting features, mute/block players, and only chat with friends they know in real life. Setting parental controls and regularly reviewing in-game interactions are great ways to stay informed. ThinkUKnow offers excellent advice for gaming safely.

REMINDERS AND OTHER NEWS

Lost Property

For any lost property you can now check the bins outside of school, please ensure the area is kept tidy after looking through and lids are closed.

All items left at the end of term will be donated

Please could we ask parents not to park blocking the school gates at drop off or collection please as they are in constant use.

Thank you
