

FRIDAY ROUND UP

18th October 2024

A MESSAGE FROM MR FARRELL

Dear Parents and Carers,

I am absolutely delighted to share how proud we all are of the children for their fantastic efforts in the St Anne's Match-athon! Their football skills were truly impressive and their teamwork and sportsmanship shone through the entire event. It was heartwarming to see so many of our students come together for such a meaningful cause and I'm thrilled to announce that we raised a remarkable amount for Jamie's Quest.

A huge thank you must go to Miss Steed and the brilliant School Council team, who worked tirelessly to organise the Match-athon. From planning the event to cheering everyone on, they truly went above and beyond to ensure everything ran smoothly. It was a wonderful day that showed the strength and spirit of the St Anne's family. Let's keep up this incredible momentum as we continue to support [Jamie's Quest](#).

Best wishes
Mr Farrell

St Anne's Football Match-Athon raised a huge amount of

£5,439.92

I'm sure the family will be very grateful to everyone who donated. Thank you

CLASSROOM NEWS

This week Reception Class had the opportunity to make bread, as part of their work on the story 'The Little Red Hen'. We explored the ingredients and everybody had a hand in either adding something to the bowl or stirring and kneading. We couldn't believe how much the dough had risen when we looked at it again an hour or so later! Each child then rolled out their own little bread roll, and the beautiful smell of freshly baked bread filled the school corridors. Well done Class R!

Class 1 have been busy this week reciting and writing poetry based on the sea. After performing the poem, they have written their own that will be performed to other classes around the school.

SEND HINTS AND TIPS FROM MISS TAVENDER

HOW OUTDOOR PLAY CAN MAKE A DIFFERENCE

Outdoor play is crucial for children with ADHD as it offers numerous physical, emotional, and cognitive benefits that help manage their symptoms and foster overall development.

Children with ADHD often struggle with impulsivity, hyperactivity, and inattentiveness. Outdoor activities provide a natural environment where they can channel their excess energy in a productive and healthy way.

REMINDERS AND OTHER NEWS

NEW BABY/TODDLER PLAY GROUP

MINI ANNES

Play group for 0 - 4 year olds

Monday's 9.15 - 10.30am

St Annes Primary School

Toys
Crafts
music
Story time
Refreshments available

Parking

We have received several complaints from our neighbors regarding parking around the school. Please park considerately and do not park across driveways.

Thank you

Please come along and support your PTA on FRIDAY 25th October 3:30 for Uniform Sale, Cake Sale and Lucky Dip.

Funds raised at events like this go straight towards supporting the school and buying the things the teachers and children need.

Entry to the school hall from **both** the front entrance of the school, and the back hall doors (by OSC!)

Please bring cash!

Plates will be sent home with children, please fill these with cake or similar treats (no nuts) and bring in to the office on the morning of the 25th.
