

Primary PE and Sport Premium Funding 2016/2017

St Anne's Primary School

Current number of children on roll (Reception – yr6) – 211

Number of children eligible for Sport Premium Funding (taken from January 2017 census) – 211

Funding received: £8000 plus £5 per pupil aged 5-11 years old = Total of £8519

Background:

The Government have provided funding of £150 million for Physical Education (PE) and sport to schools. This funding should be used to improve the quality and breadth of PE and Sport Provision. The funding is for the period of 1st September 2016 – 31st July 2017. This funding is ring fenced to be used for specific areas to make a sustainable impact in Physical Education and Sport in schools.

Schools are free to determine how best to use this funding to improve the quality and breadth of PE and Sport provision, including increasing participation in PE and Sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

The revised vision for the Primary PE and Sport Premium is:

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for healthy lifestyle and lifelong participation in physical activity and sport.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools.

It is expected that schools will see an improvement against the following 5 key indicators:

- 1. The engagement of all pupils in regular physical activity –kick-starting healthy active lifestyles.*
- 2. The profile of PE and sport being raised across the school as a tool for whole school improvement.*
- 3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.*
- 4. Broader experience of a range of sports and activities offered to all pupils*
- 5. Increased participation in competitive sport*

During the academic year of 2016/2017, the school plans to spend the funding in the following areas:			
Provision invested in	Cost	Description	Impact
<p>The Hunts School Sports Partnership (HSSP) is a 'non profit' organisation based at Hinchbrook School. The experiences and highly qualified team of PE specialist teachers work closely with schools across Huntingdonshire to support them in raising the whole school standards in Physical education and school sport. HSSP also has extensive and established links with partner organisations that provide enhanced opportunities for schools.</p>	<p>£4000</p>	<p>The HSSP provides the opportunity for teaching staff to take part in an intensive mentoring program where PE specialist teachers support staff in providing quality sports and PE lessons on a weekly basis. Staff gain increased knowledge, skills and confidence. This impacts on children by providing good quality sporting activities and skill development.</p> <p>4 X staff trained/mentored over 4 separate 18 week blocks. (classes include , Reception, year 1, year 5 and year 6)</p>	<p>5 Teaching staff received the intensive mentoring program within school. This provided support on delivering a range of PE and Sport lessons across age ranges from Reception to Year 6. Staff received detailed lesson observations, feedback and support with future lesson planning and delivery.</p> <p>The Play leader scheme is in place within the school. Year 6 children trained to support children at playtime by running a variety of different games and activities. This scheme was further extended in the Summer term where Yr6 children worked with Yr5 children to coach them to become Play leaders of the future. Play leaders award a child with each week in assembly, for playing well and showing St Annes spirit at break times.</p>
		<p>Training provided to teaching and support staff in developing play leaders. Play leaders are children trained to run games and activities for their peers at break times and lunchtimes.</p> <p>Play leaders help to develop child led activities at playtime. This involved more children in physical activity, develop a sense of team work and promote social emotional development.</p> <p>Play leaders are responsible for choosing a child each week, that they have worked with, who deserves special praise for their behaviour and attitude at playtimes each week. Play leaders announce this in Friday assemblies and children are rewarded.</p>	
<p>Qualified PE specialist teacher employed within school as of January 2017. This teacher is released from class one afternoon a week to work with upper KS2 children and an external sports coach.</p>	<p>£2500 supply cover</p>	<p>The addition of a Specialist PE teacher within the teaching staff team in school, has allowed staff to discuss ideas and difficulties they have in regards to delivering quality PE lessons within the school.</p> <p>The Specialist PE teacher supports the weekly delivery of PE for upper KS2 children, alongside a qualified sports coach, in ensuring that good quality PE teaching is delivered to the largest year group in the school. Key skills are developed as well as promoting opportunities for all, team work and healthy lifestyles.</p>	<p>With the PE Specialist teacher in place within school, it allowed for additional support in working with Yr5 and Yr6 PE and sport delivery each week.</p> <p>More skills based sessions were planned and delivered with a focus on team work.</p>

Qualified Sports coach runs 3 lunchtime clubs a week.	£1250 – Lunchtime sports clubs / qualified coach,	3 lunch clubs are run by a qualified sports coach each week. These sessions were based on a range of different sports such as netball, football and multi skills.	More children taking part in organised games and sport at lunchtimes. This increased participation in sport and also allowed children to try activities without needing to stay after school.
High quality physical resources for PE and sports lessons.	£250	The school recognises that it is important to provide appropriate resources for PE and Sport lessons as well as at play time, enabling children to get maximum benefit from the activity they engage in. There is an ongoing audit of sports equipment within the school. Various equipment is renewed each year such as balls and bats, bean bags, cones etc.	Renewal of various equipment on a rolling program.
Supplemented after school club provision enabling a range of sporting clubs afterschool to run regardless of numbers of children involved.	£700	The school recognises that it is important that there is a range of after school sports activities on offer for children each week. By using regular sports coaches who are familiar with the school and the children, a range of clubs can be arranged. The cost of the coach is supplemented by the school to enable the school to trial new sporting opportunities such as archery club, dodge ball, multi skills club, gymnastics, regardless of pupil take up so that there is no minimum group size and clubs can always run.	Whilst there is a small charge for after school sports clubs, the school provided financial support to allow sports clubs and groups to take place regardless of 'minimum numbers' and to ensure no child is unable to take part on financial grounds. This allowed all children who wanted to take part in sport the ability to do so.
Total Spending:	£8700
