

# FRIDAY ROUND UP

21st April 2023

## SUMMER TERM

Welcome back. We all hope that you have had a great Easter break and enjoyed some family time together.

We are now into our final term of the academic year and probably one of our busiest! There will be lots going on in school including class trips and class assemblies. Towards the end of the term we will be running the annual sports day, the Year 6 Prom, supporting the PSFA Summer Fayre and various other events and activities. We will be keeping you informed of the dates of events as they are confirmed, so make sure you take a look at the Friday Round Up each week.

## PLEASE KEEP A LOOK OUT

Some of you may be aware but members of our St Anne's Family are very upset at the moment as their much loved cat has gone missing in the local area. The family has been posting on social media and also asked the school to share the information. Little Milly is grey and only 3 years old. She went missing from the Porch Close area just before Easter. Please can everyone keep an eye out, check sheds and garages and hopefully this family will receive some news soon. If you have any sightings, please let the school know or contact Shelly on 0750 821 6539. We thank you for your support with this.

## WELL DONE YEAR 6!

Year 6 showed real resilience and perseverance on their first day back this week when they undertook not one but two trial tests for NFER (National foundation for educational research.) St Anne's was one of a set of randomly selected schools for this project which was to help set a benchmark for future reading test contents and levelling. The children worked so hard and were thanked for their assistance in 'testing out the questions' for future pupils.

# NEW PASTORAL SUPPORT WORKER

This week we welcomed a new member of staff to our team. Mrs Pettitt has joined the school as our Pastoral Support Worker. This new role will help provide more of a link between families and the school. Mrs Pettitt has joined us from Brampton Village Primary School, where she was the SENCO. She has a wealth of knowledge and experience in supporting children and their families and can also provide advice and support of local agencies and support networks. Mrs Pettitt works 5 mornings a week and has already met many of our children. We are very happy to welcome her into the St Anne's family.

## PSFA ART COMPETITION

The PSFA have launched this terms 'Do some Art' competition.

This terms theme is the Kings Coronation that is happening in a few weeks time. Colouring sheets are being given out in each class and children are welcome to design their own picture as well.

Each entry into the competition costs £1 with all money going to the PSFA to help fund lots of projects around the school. At the moment, the PSFA have pledged to fund new books for class reading areas and also new instruments to support the schools music curriculum.

There are prizes for the winners of each class and each entry will receive a small gift.

Please hand in entries to the PSFA members who will be available on MONDAY 24th of April.

We thank you for your support in this event.

### Do some art

### £1

### Coronation Theme

Hand into the psfa table on the playground  
before or after school or to your class teacher on  
the  
24th of April

1 WINNER will be chosen from each class. All
